Art.-Nr. 00935 size: 50cm p.unit: 50

## SIRAL wiping systems

### microfibre mop premium

**Use:**

moist-/wet wipe for universal and routine cleaning

Art.-Nr. 00936 size: 40cm p.unit: 50

Art.-Nr. 00937 size: 50cm p.unit: 50

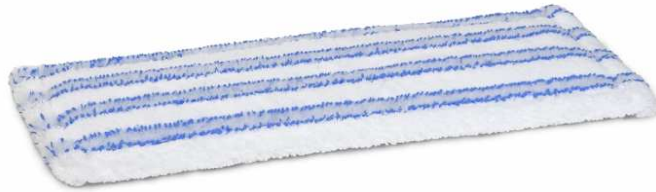

**Properties:**

Quality microfibre cleaning mop with very high white microfibre quality (long pile) and blue soft bristles for some stubborn dirt. The blue cross bristles increase the mechanical scouring effect. In spite of the cross bristles has this cleaning mop an excellent lubricity. Particularly suitable for structured wooden floor, PVC and smooth stoneware.

**Fastening type:**

pockets with water outlet

**Manufacturing:**

woven

### microfibre mop chenille

**Use:**

Ideally suited for dusting (dry), wet cleaning as well as to moist use for the universal and routine cleaning.

Art.-Nr. 00938 red size: 40cm p.unit: 50

Art.-Nr. 00939 blue size: 40cm p.unit: 50

Art.-Nr. 00940 red size: 50cm p.unit: 50

Art.-Nr. 00941 blue size: 50cm p.unit: 50

**Properties:**

This cleaning mop has a particularly soft and fine chenille surface. It's velvety surface serves for the excellent dirt holding as well as the lubricity. Attracts dust and can be tapped. Particularly suitable for parquet (non-lubricated), tiling and smooth stoneware.

**Fastening type:**

pockets without water outlet

**Manufacturing:**

tufted on woven backing

**Colours:** blue or red
